

Raw material:	Coffea arabica - Roasted Beans, from organic farming
Production:	Roasted coffee beans of arabica type are extracted by supercritical fluid extraction with natural carbon dioxide, no solvent residues, no inorganic salts, no heavy metals, no reproducible microorganisms.
D/E - ratio:	9,5 - 10,0 kg roasted coffee beans to 1 kg product.
Organoleptic description:	Brown, clear to slightly turbid oil with coffee smell
Composition:	100 % Coffee CO ₂ -to extract (organic)
Ingredients:	Fatty oil with the flavour components of roasted coffee, e.g. 2-furanmethanol, methyl pyrazine, 2,6 dimethyl pyrazine, 5-methylfurfural, 2-furanmethanol acetate, caffeine 0,2 - 0,7 %.
Declaration:	In food: flavouring preparation or coffee bean extract In cosmetics: INCI-Name: Coffea Arabica Seed Extract, CAS-No. 84650-00-0, EINECS-No. 283-481-1
Application:	For the flavouring of food, e.g. bakery and confectionery products, beverages or ice cream. In cosmetics: Coffee bean oil has sun-protective properties and can therefore be used in sunscreen products. It is also suitable for use in skin care products, as the oil increases skin moisture. Because of its aromatic smell, the oil is also suitable as a fragrance in perfumes and other cosmetic products.
Handling:	basic ingredients for the product formulation. They are therefore not intended for direct consumption in food, nor for direct application to the skin in cosmetics, perfumery and aromatherapy. Keep away from children!
Certification:	<ul style="list-style-type: none">• ORGANIC certified by Quality, Certification and Inspection (QC&I)• HALAL certified by Halal Certification Services (HCS)• KOSHER certified by Beth Din Kashrut Division (KLBD)• COSMOS certified by International Organic and Natural Cosmetics Corporation (IONC), 100 % certified ingredients (COSMOS-Standard)

Maitreya Natura

Conformity:

The product complies with the requirements of Regulation (EC) No. 1334/2008 on flavourings and with the requirements of Regulation (EC) No.1223/2009 on cosmetic products in the currently valid version.
